Notes for Users

The following are revisions to the operating instructions. Refer to the following information in place of the information presented in the original operating instructions.

◆ Printing with the PostScript 3 printer language

Printing with the PostScript 3 printer language is available as a standard feature.

◆ Windows 7 Support

This machine supports Windows 7.
Drivers for Windows 7 can be installed using the installer that starts when you insert the included CD-ROM into the CD-ROM drive of your computer. See the relevant Help files for information about how to use the drivers.

◆ Utility Software

DeskTopBinder Lite, SmartDeviceMonitor for Admin, and DeskTopBinder-SmartDeviceMonitor for Client are not included on the CD-ROMs that come with the machine.
SmartDeviceMonitor for Admin with limited functionality, DeskTopBinder Lite with limited functionality, and SmartDeviceMonitor for Client are available as free downloads. Contact your local dealer for information on downloading the utilities.

◆ Included CD-ROMs

The "Scanner Driver and Utilities" CD-ROM does not come with this machine.
The TWAIN driver is included on the "Printer Drivers and Utilities" CD-ROM.

◆ Encrypting and Deleting Data on the Hard Disk

The following functions are included in the Hard Disk Drive Option.
- Encrypting Data on the Hard Disk
- Deleting Data on the Hard Disk

Therefore, the following options are not required.
- Data Overwrite Security Unit
- HDD Encryption Unit

◆ Availability of the ScanRouter delivery software

The manufacturer is no longer shipping the ScanRouter delivery software. For details on availability of the functions of the ScanRouter delivery software, contact your local dealer.
