

Errata for About This Machine and General Settings Guide

Please note the following corrections to these manuals:

◆ About This Machine

Page	Error	Corrections
P.5	Sleep mode /Power consumption <u>3.5 Wh or less</u>	Sleep mode /Power consumption <u>3.7 W or less</u>
P.5	Sleep mode /Recovery time <u>5 seconds</u>	Sleep mode /Recovery time <u>Less than 5.5 seconds</u>

□ General Settings Guide

Page	Error	Corrections
P.285	Power consumption/ Stand-by (Complete System) <u>about 46 W</u>	Power consumption/Stand-by (Complete System) <u>about 48 W</u>
P.285	Power consumption/ During printing (Main unit only) <u>about 75 W</u>	Power consumption /During printing (Main unit only) <u>about 70 W</u>
P.285	Power consumption/ During printing (Complete System) <u>about 130 W</u>	Power consumption/ During printing (Complete System) <u>about 135 W</u>
P.285	Noise emission/Sound power level During printing (Complete system) <u>Less than 62 dB(A)</u>	Noise emission/ Sound power level During printing (Complete system) Less than 66dB(A)
P.285	Noise emission/Sound pressure level During printing (Complete system) <u>Less than 57 dB(A)</u>	Noise emission/Sound pressure level During printing (Complete system) <u>Less than 57 dB(A)</u>
P.285	"Noise emission"*2 Measured at the position of the operator. _____	"Noise emission"*2 Measured at the position of the operator. <u>Values are for reference only.</u>
P.287	Duplex Unit/Paper Size <u>5 1/2 □ 8 1/2</u>	Duplex Unit/Paper Size <u>6 1/2 □ 8 1/2</u>
