Old part number	New part number	Description	Q'ty	Int	Page	Index	Note
5K530713		FAN:CPU:COFAN:30-1153-02	1	O/O	5	8	See below
	5K530714	FAN:CPU:COFAN:30-1153-03	1				

Change/Reason: Parts standardization.

Note: The new CPU cooling assembly (which is comprised of a heat sink and fan) is attached to the motherboard in the same place as the old assembly, but its orientation has been rotated 90 degrees. This is because the location of the cables on the cooling assembly was changed.
