- * Interchangeability with current products (Model K-P1/P2):
- * Interchangeability with products following:

O/O
X/O

Note:

As shown above, 1-Bin Trays with the new motor can be used on both the current and next mainframe models, whereas Trays with the old motor can only be used on the current mainframe model.

To distinguish the Trays containing the old motor vs. those containing the new, a circular black sticker will be affixed to the box of the new Tray.
