

●Attention●

Take note of the following points when using this printer for the first time.

●●●1●●●

Before turning the power on, make sure that paper is not loaded in the paper tray. For information about loading paper, see “Installing Your Printer”, *Setup Guide*.

●●●2●●●

When the power is turned on, ink feed starts and the power key blinks. Wait until ink feed is complete and the power key stops blinking and stays lit.

(This takes approximately six to nine minutes.)
