- HTML manual: Maintenance and Specifications > Consumables > Print Cartridge

Toner	Average number of printable pages per toner[1]
Black	10,000 pages
Cyan, Magenta, Yellow	9,000 pages

*1 The number of printable pages is based on pages that are compliant with ISO/IEC 19798 with the image density set as the factory default. ISO/IEC 19798 is an international standard for measurement of printable pages, set by the International Organization for Standardization.

- HTML manual: Maintenance and Specifications > Consumables > Drum Unit

⬇ **Note**

- If the black drum unit/color drum units are not changed when necessary, print quality is not guaranteed <u>and printing will stop.</u> We recommend keeping extra sets of Black drum unit/color drum units.

■ Correction
