This RTB has been issued to announce the application release notes for GD-iPad version 1.3.0. This version will be released on May 14, 2013, (Japan Standard Time) and is an optional update.*

*An "optional update" means that installing the new version is not mandatory. The client will have the option to update to the latest version before holding a video conference. Clients that use different application versions can hold a video conference with each other, as long as they have already updated to the most recent forced update version.

Model: GD-iPad

Date: 14-May-13

No.: RE1A5001

| Version | Release Note |
