

# Castor-PJ1 (Y057) Block Diagram

# Castor-PJ1 (Y057) ELECTRICAL COMPONENT LAYOUT

| Index No. | Description        | Block Diagram |
|-----------|--------------------|---------------|
| 1         | Lamp Module        | F7            |
| 2         | IR Board           | E2            |
| 3         | Main Board         | E3            |
| 4         | Fan                | F6            |
| 5         | Thermal Fuse       | -             |
| 6         | Blower             | F8            |
| 7         | Engine Module      | -             |
| 8         | Speaker            | G8            |
| 9         | LVPS Module        | B4            |
| 10        | DMD Chip           | D9            |
| 11        | DMD Board          | C9            |
| 12        | Photo Sensor Board | F8            |
| 13        | Interrupter Switch | -             |
| 14        | Lamp Driver        | E7            |
|           |                    |               |
|           |                    |               |
